6 CLEAN WATER AND SANITATION

I go to Clinton School. In Spring 2021 I did a research project in Year 2 on UN Goal 6. I was inspired to do talk about my project and I wrote my own speech. I also did a fundraiser to raise money for EduKid. I raised over £600.

The Clinton and Dolton CofE Scho... @Clinton\_Dolt... Mar 25, 2021  
Leon learnt his speech he wrote about his project by heart. Leon has grown in confidence and clarity while speaking to an audience. #proudofmycity #inspiringchangemakers

The Clinton and Dolton CofE Scho... @Clinton\_Dolt... Mar 20, 2021  
Leon made it... What a fantastic achievement and has so far raised over £2450 and still counting for EduKid!! An inspiring Changemaker! We are so proud of what he has achieved. We look forward to hearing the final amount raised in the next week or so. #inspiringchangemaker #EduKid

We are Kingfishers Class (FS/Y1/Y2) from **Clinton C of E School**...

Kingfishers created Research Projectst using resources from EduKid and UN Goal 1 No Poverty. They linked this project with their learning theme 'A Journey to Uganda'

Kingfishers have enjoyed adventures to Rosemoor and Exmoor Zoo this year. They showed excellent cooperation, curiosity and respect when visiting these wonderful places.

Kingfishers have had many opportunities to be inspiring speakers this year. They have spoken at community events as well as write their own speeches and record them on seesaw, This has really developed oracy and confidence skills.

Kingfishers really enjoy Wild Tribe as skill builders. They learn a wealth of new skills and show compassion for nature as well as curiosity and cooperation

Our team have had different fundraisers for our sponsored child Angel in Uganda. We have shown amazing generosity and creativity in raising money.

## We are Clinton C of E School - Whole School and Group projects

Ethos Committee spoke to schools in Uganda to learn about their culture. Children showed respect and curiosity when speaking as well as great patience when using the internet.

Our Eco Committee organised bird food making and took part in the Big Bird Watch. They showed great care and compassion towards the natural world and continue to help find ways to protect wildlife

The School joined with the PTFA to put on a Valentines Fundraiser. We raised money by working together and being creative. It was a great opportunity to work with our wider community.

Children planned and organised a dress up fundraiser for the people of Ukraine. Wonderful motivation and compassion in action!

Volunteers came to work on our garden and work towards our Bronze RSPB Wild Award. Great cooperation and generosity was shown as the team came together to work hard on our outside areas.

We are Swallows Class (yr 3,4,5,6) from **Clinton C of E School...**

We have all undertaken research projects on a chosen UN goal thinking about how we can become inspiring change makers in the world. We also researched our DT moving toys before we built them.

Swallows enjoyed their course on being a playleader. They learnt how to organise games, encourage cooperation and lead a group of children too. They also learnt some new games to use in the playground.

Swallows used clay to make pots in the style of the Romans in the Autumn term. They also took part in Wild Tribe sessions, building fires, cooking outdoors and planting trees for a sustainable future.

Swallows wanted to raise money for Ukraine to support families in need. They decided to invite everyone to dress in yellow and raised £100!

Swallows have had many opportunities to be courageous inspiring speakers. They took part in the remembrance service, Christmas service and have all had a go at recording a TED talk too.

Year 3 and 4 had a great time at PGL for their residential, they showed that they are inspiring adventurers and undertook lots of outdoor activities with courage and critical thinking.

We are Tigers Class (FS/Y1/Y2) from **Dolton C of E School**...

Children at Dolton school enjoyed learning a new skill. They helped to create this mosaic masterpiece which will be hung in their outdoor area for all to enjoy as they enter the school. They showed great cooperation and creativity.

Tigers class enjoyed their adventure to Exmoor Zoo where they continued their research into Life in Uganda. They loved seeing all the amazing animals and demonstrated curiosity and respect

Children at Dolton volunteered to help out with making bird food and going bird watching as part of the RSPB Big Bird Watch.

Tigers volunteered their time to do a community litter pick. They used tools safely and tried to encourage others to keep the village tidy and recycle rubbish.

Tigers brightened up many people's Christmas with their inspiring speeches and poems. They also retold the Christmas story. They showed great confidence in taking part in these events.

Tigers class loved cooking and 'Baking a Difference'. They made many tasty treats to sell at school and fundraise for EduKid.

## We are Lions Class (Y3,4,5,6) from Dolton C of E School

Children at Dolton school enjoyed learning a new skill. They helped to create this mosaic masterpiece which will be hung in their outdoor area for all to enjoy as they enter the school. They showed great cooperation and creativity.

Lions class have spent time developing many different skills this year. They have taken part in the Beaford Arts project and developed their story telling skills as well as explore how to work and craft with clay. The children have shared their learning with others to inspire them to have a go also.

Lions class became inspiring researchers when they took part in a sustainability workshop. They learnt about the ways they can reduce, reuse and recycle.

Children in Lions class have been raising money for Angel in Uganda by supporting Eduklid. They have enjoyed having Sophie visit school and inspire their fundraising efforts. Children have taken part in dressing up days and bake sales to raise money as a community..
