

The Clinton C of E Curriculum Update 19.1.24

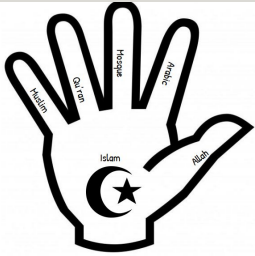

The Clinton Church of England School

In **Swallows Class** our Key Stage Two children in Year 3/4 are focusing on the big question: How do festivals and worship show what matters to Muslims?

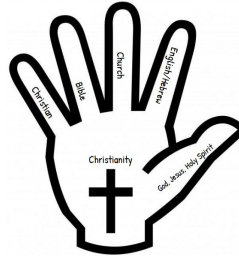

In Year 5/6 children have been exploring the question: What does it mean to be Muslim in Britain today?

Children in Swallows have been exploring the 5 pillars of Islam and delving deeper into Muslim's core beliefs and how this influences their daily lives. We are also continuing to use our reading and research skills as well as retrieve knowledge from previous learning.

Religion and Worldviews at The Clinton...Pupil Voice

- "It is important we learn RE and what different people believe so that we can respect them and get to know them better. If you went to their house you would know their culture better and be able to understand each other."
- "RE and worldviews teaches us that we belong in different ways"
- RE teaches us about Christians, Jews, Hindus and lots of other religions and it teaches us to respect each other
- "We need to know more about everyone in our big world!"

In **Kingfisher Class** our Key Stage One our learning in RE centres around the question: **What do Christians believe God is like?**

We have been using the parable of the Lost Son to explore how Jesus told stories with deep meanings to try and help people understand complicated ideas. We thought about how Christians believe that God is like the father in the story, welcoming his son back and forgiving him even though he went away and made some bad choices!

We will continue to be curious and ask questions, think deeply and show respect for our different ideas.

In **Little Otters** and **Kingfishers EY** we have been exploring where we belong and what makes us special. We have thought about the things we are amazing at. In Kingfishers we have thought about what the Bible tells Christians about knowing everything about them! We will be learning about how babies are welcomed into different families and exploring baptism.
