

# The Clinton C of E Update 05.01.24

The Clinton Church of England School

**Welcome back everyone and may you all have a very happy, healthy and peaceful New Year!**

The children have had a super start back. There has been a buzz of renewed motivation and determination around the school this week and the children have been joyful and curious in getting stuck into our topics of learning for this term! You can read more about what the children will be developing their skills and knowledge in, across the curriculum, on their class Curriculum C360 Maps that I have also shared with you.

As always we love to see any further research or home learning that the children have been inspired to continue at home following learning in school, so please do continue to share with us along with your child's reading record via Seesaw!

The children have been exploring our new focus character virtue **Self-Regulation** as well as thinking about the virtues that they would like to personally develop this term. The children were excited to total up all of the team points from last term. The results were very close, but with a marginal lead Rosa Parks came first and really enjoyed their 'Hot Chocolate with the Head' treat!
