

The Clinton C of E Update 23.02.24

The Clinton Church of England School

Welcome back to the second half of the Spring Term!

It has been wonderful to see the children return rested, recharged and ready for learning! As well as being enthusiastic about their new learning, the children have also been demonstrating their reflection, resourcefulness and critical thinking skills in completing their NFER assessments, so that both themselves and us as teachers can see what they have achieved and what their next steps need to be. You can read more about what the children will be developing their skills and knowledge in, across the curriculum, on their class Curriculum C360 Maps that I have also shared with you.

A huge thank you and well done to those of you who are continuing to complete your home learning, using the activities and tasks on Seesaw and logging your reading at home on Seesaw. This has a great impact on both supporting and consolidating your learning in class!

The children have been exploring our focus character virtue **Aspiration** and have started to think about and consider their aims and goals, both for now and in the future. The children were excited to total up all of the team points from last half term. The results were very close, but with a marginal lead Greta Thunberg came first and really enjoyed their 'Hot Chocolate with the Head' treat!

Diary Dates

Swimming - 22nd Feb, 29th Feb, 7th March, 14th March, 21st March and 28th March
