

# The Clinton C of E Update 13.09.24

The Clinton Church of England School

The children have had a great first full week back and it has been wonderful to see and feel the buzz of enthusiasm and collaboration filling the school! I have been really impressed with how the children have returned with positive and resourceful attitudes in approaching their learning tasks. You can read more about what the children will be developing their skills and knowledge in, across the curriculum, on their class Curriculum C360 Maps that I have also shared with you.

We have started the term off with **reflection** as our focus character virtue for the next few weeks. During our Collective Worship this week, I was really proud of how the children were able to explain to me how they use reflection to look back at what they have done well, and what things they might want to do differently in the future.
