

Academic (Wisdom, Knowledge and Skills)

- As speakers, readers and writers we will be writing third person narrative stories, which will build on a previous unit taught in the autumn. Then we will be focussing on writing formal letters to complain. In guided reading Years 3 and 4 will be exploring a book called Dancing Bear by Michael Morpurgo. Years 5 and 6 will be analysing The Explorer. Children are encouraged to read at home regularly and quiz on their AR books in school.
- As religious and worldview explorers, all children will be studying Hinduism. Year 3 and 4 will be exploring the question: What does it mean to be Hindu in Britain today? Whilst Year 5 and 6 will be answering the question: Why do Hindus want to be good?
- As mathematicians in Year 3-4, we will begin by exploring mass and capacity, then revisit fractions before finishing on a unit of time. In Year 5 and 6, we will be learning about the link between fractions, decimals and percentages. Next we will explore shape until the end of the half term. Year 6 will also be preparing and completing their SATs during this term.
- As scientists, Years 3 and 4 are learning about states of matter with lots of learning around solids, liquids and gases. Years 5 and 6 are exploring Space. Children will consolidate their knowledge of planets and bodies in the Solar System and begin to make deductions around what makes each planet unique.
- As historians, we will be continuing with our work on the Romans but focussing much more on how they affected Britain and what their lasting effects were on the country.
- As physically active learners, we are lucky to have Lottie from Atlantic Racquet Centre coming in to teach us Tennis.
- As computer scientists, we will be creating 3D models using a program called TinkerCAD.

Innovation

This term Lions will have opportunities to

- Link learning to 4 - Quality Education and 8 - Decent Work and Economic Growth
- Raising awareness of these UN sustainable goals.
- We will develop our computing skills by creating 3D models using computer programs.
- Continue to develop our communication with others across other schools using interactive whiteboards and chrome books.
- Develop our design and technology by exploring fastenings and eventually making a book sleeve.

KS2 - Swallows

How do changes over time affect us nationally and globally?

SOCIETY

Laws, traditions, values and customs help define national identities

Character (Hope, Aspiration and Courageous Advocacy)

This half term our focus virtues are

Service
Volunteering
Resilience

- We will explore these virtues in our whole school and class based worship.
- Look out for 'virtues in action' for our leaves assemblies fortnightly.
- Be 'Inspiring Fundraisers' through events inspired by the schools Young Leaders

Community (and living well together, dignity and respect)

During the Summer 1 term we will:

- Have our weekly learning leaves and bi-weekly Celebration Worship
- Weekly Worship Team visits
- Be Inspiring Fundraisers for events for the PTFA and Edukid to sponsor our Child Angel
- Trip to Nethercott House
