

## Summer 2

# 2025

This half term Little Otters learning theme is:

# Caring for our planet

Our 'Wow' words for this half term:

Pollution Plants
Recycling Gardening
Ocean Compost
More than Less than

### We are Active Learners and Explorers

Finding out about how we can care for our world and help make a difference.

Working together to inspire change.

Go on an adventure to Saplings in the Wood

#### We are Creative and Critical Thinkers

Reuse, Recycle and Reduce focus to use sustainable items to make new art work - end of year gallery/project

#### We are Relationship Builders

Who helps us and who is brave lifeboat crew, how do people at sea help us? How do people on land help us?

#### We Care for Our World

Learning songs, stories and rhymes to send a message to care for our world and inspire others. Carry out litter picks and find other ways of helping the community.

How can you encourage and extend your child's learning at home?

- Talk to your child about pollution in the ocean and how it hurts sea creatures
- Talk to your child about different creatures you can find in the ocean
- Share a range of books and stories
- Play 'I Spy' using initial sounds
- Play counting games
- Talk about recycling, things that we recycle and how we need to recycle to care for our planet
- Talk to your child about more than, less than and the same
